

An Achievable Dream Tennis Ball
Saturday, November 17, 2018, 5:30 p.m.
Hampton Roads Convention Center

One of the premier annual social events in Hampton Roads, the Tennis Ball is an exciting evening with dinner, silent and live auctions and a special program to benefit An Achievable Dream. This black tie-optional event attracts nearly 1,000 attendees, and is presented in partnership with The Rotary Club of the Virginia Peninsula. Auction categories range from new cars, to exciting vacations, sports memorabilia, business consulting services, restaurant gift cards, and fine art. There is something for everyone and tickets include a chance to win a new car. The event sponsors are TowneBank, Smithfield Foods, Ferguson and Riverside.

Proceeds from the Tennis Ball benefit An Achievable Dream (AAD), and are used to support the SAME® (social, academic, moral education) curriculum, extended day instruction, Summer Intersession, and enrichment activities both in and outside the classroom.
