

# ACHIEVING DREAMS

CELEBRATING THE SUCCESS OF OUR DREAMERS!

**FRANKLIN ROBERSON**

**CLASS OF 2004**

*"I was once lost as a young child, not knowing what the future would hold, but it was An Achievable Dream that found something in me."*

- An Achievable Dream, Class of 2004
- Bachelor of Science in Mechanical Engineering, U.S. Naval Academy
- Mechanical Engineer, U.S. Navy

"The principle of this program builds the foundation for students to become successful no matter their career path... The lessons I learned along the way have been valuable in more ways than I can imagine."

- Franklin Roberson, Class of 2004
