Unlock Your Child's Potential!

Learn about opportunities to unlock your child's potential at An Achievable Dream public school

What is An Achievable Dream?

An Achievable Dream is a public-private partnership that provides additional resources and wraparound services to students and families. Some highlights include:

- All AAD schools are fully accredited
- Over 60 field trips per year
- Summer enrichment
- Social Rotation Classes
- Over 20 clubs
- College scholarships

Program Results:

- 100% of students graduate on time
- 90% of graduates placed in college or trade school
- 10% of graduates join the military or enter the workforce
